City Clerk

City of Fall River, *In City Council*

(Councilor Raymond A. Mitchell)

WHEREAS, there has been discussion of the effects of *Helicobacter pylori* in the drinking water in the City, now therefore

BE IT RESOLVED, that the Committee on Public Safety meet to discuss this matter with the Director of Public Utilities, Director of Administrative Services and Dr. Sidney Rosen.

City of Fall River, *In City Council*

(Councilor Eric Poulin)

WHEREAS, access to clean water is a fundamental right of every citizen of Fall River, and

WHEREAS, the 42/7 Plan was an initiative aimed at repairing or replacing 42 miles worth of water mains and pipes in the city over a 7-year period, and

WHEREAS, the 42/7 Plan was successful in replacing over 50 miles of water mains and pipes in a period that actually lasted about 10 years, and

WHEREAS, the City of Fall River still has about 70 miles worth of water mains and pipes that are from an era between 1890-1930 and are in need of repair and/or replacement, and

WHEREAS, without a new plan similar to 42/7 the City of Fall River is currently repairing and/or replacing about 1.5 miles worth of water mains and pipes per year, and

WHEREAS, at this pace it would require roughly 47 years to repair and/or replace the remaining 70 miles worth of water mains and pipes that are in need, and

WHEREAS, the establishment of a plan to reduce the number of years required to address the remaining 70 miles would be of great benefit to the citizens of Fall River, now therefore

BE IT RESOLVED, that the Committee on Public Works and Transportation convene a meeting with the Director of Public Utilities and other relevant parties to develop a long-term plan to address this issue

City of Fall River, *In City Council*

(Councilor Raymond A. Mitchell)

WHEREAS, City Council agendas could be picked up in order to save delivery fees, and

WHEREAS, the Government Center closes at 5:00 PM, and

WHEREAS, some City Councilors work until 5:00 PM, now therefore

BE IT RESOLVED, that a lock box be installed outside of Government Center so that Councilors may pick up their agendas at their convenience.

The Massachusetts Department of Transportation
Invites you to a
Public Information Meeting
for the
Rte. 79 / I-195 Interchange Improvements Project
Wednesday, April 13, 2011
6:30 – 8:30 PM
Fall River Heritage State Park Visitor's Center
200 Davol Street, Fall River

The purpose of this meeting is to provide an overview of the plans to improve the Rte.79/I-195 Interchange near Battleship Cove.

The Massachusetts Department of Transportation has been working with a Task Force of local and regional representatives and residents to study alternatives for long-term improvements to the interchange. This update meeting will:

- Provide an update and details related to the selected alternative—removing the elevated highway—to improve the Rte.79/I-195 Interchange
- Review the design and construction timeline
- Describe future opportunities to participate in the project
- View the 60-scale study model illustrating the proposed project

Following the presentation, MassDOT staff will lead a discussion to answer questions, get feedback on the proposed project, and gather input for the design phase of the project.

If you have questions or would like more information about the project, please contact Mike O'Dowd, Highway Division Project Manager, at (617) 973-7475. To be added to the Rte. 79/I-195 Interchange Improvements Study project email or US Mail distribution lists, please contact Stephanie Boundy, Public Outreach Coordinator for the Accelerated Bridge Program, at (617) 973-8049 or Stephanie.Boundy@state.ma.us.

The Heritage Park Visitors Center is accessible. To request language or access accommodations, please contact Stephanie Boundy.

➡ **Please share this notice with others who may be interested in the project.**

Directions to the Fall River Heritage State Park:

From I-195, use Exit 5. Go right at the fork onto Rte. 79 & 138 north to Taunton. Take next right exit onto Davol Street. At the base of the ramp carefully bear left taking first left going under the overpass. Go left onto Rte. 138 South (Battleship Cove/Tiverton R I). Continue on Rte. 138 South, passing Boathouse parking lot on right followed by the park's Visitors Center, then taking the next right turn (under the Braga Bridge) on to Central Street. Bottom of hill take right into main parking lot.
